Agenda  
PD/Math's  
Assessment  
Planning  
SMS

### **Numeracy**

Charles is enrolled for 3 PD courses on Numeracy and is currently reviewing PD session as well on NZMATHS.

Most games almost completed on each stage and will be up and running in term 2.

Assessment: students that are struggling in Math's have been identified and are receiving extra support.

Dahria, Nicole and Adianna. This programme will continue for 3 more weeks. Jahmain Tolai will also be put on this programme.

Observation set up for the 26 May to view Numeracy groups and observe teacher skill session.

Viewed PAT assessment on Maths: Language appears to be a major obstacle so well concentrate on language in spelling : Wordles, [www.spellcity.com](http://www.spellcity.com), Crosswords Wordfinds.

Number Strategies: word problems, measurement and units cm, mm, m, km, Geometry symmetry, directions. Lynette to focus on Symmetry and Geometry to be taught weeks 1 to 3.

Wiki to establish homework/Maths on the wiki.

Meeting arranged for Wednesday 2<sup>nd</sup> week of the holidays. Focus is to review planning.

New 0.2 teacher to start Lynette Heywood.

SMS: Loaded data and completed training.
